John Marshall Coalson was a tall man, had very light colored hair and blue eyes. He stood straight and tall. Mary Eleanor Shirley-COalson had black hair, very blue eyes, and was slightly built. She laughingly remarked one day that she didn't guess she ever weighed 100 pound, soaking wet and nine months pregnant. She was a devout Christian, ready to help anywhere any time. Her own story of her life is in the book a few pages back.
